Re: Permit #M/035/005

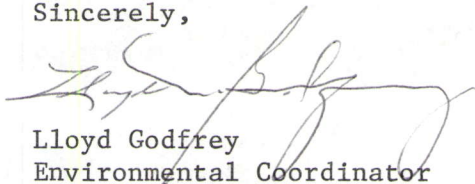

Dear Mr. Braxton:

As you may be aware from various public announcements, Morton Thiokol, Inc. intends to restructure itself by spinning off its commercial businesses. As part of this restructuring effort, a new corporation "Morton International, Inc." will be formed to continue the Specialty Chemical, Inflatable Restraint Systems and Salt businesses following said restructuring.

In furtherance of this restructuring, you are hereby put on notice that, effective as of July 1, 1989, the captioned permit, including all permit responsibility, coverage and liability, will be transferred from Morton Thiokol, Inc. to the newly created "Morton International, Inc.".

Please contact me immediately if the Department of Natural Resources has any objections to this transfer. Unless we hear otherwise, we will assume this transfer is acceptable and will conduct ourselves accordingly.

Sincerely,

Lloyd Godfrey
Environmental Coordinator
